

Unlimited Landscapes, one of the areas leading licensed general contractors, are members of the Kentuckiana Lawn Maintenance Association and the Home Builders Association of Louisville.

We offer year round design, build, and maintenance services; so you can enhance your property to its fullest potential.

We have won the coveted Louisville and Jefferson County Beautification Award four times and are experts in all phases of excavation, landscaping and construction.

Unlimited Landscapes has serviced the Louisville, Kentucky Metro area for over 21 years. We believe that landscaping isn't an expense – it's an investment that makes your home or business more attractive, more valuable, beautifies the community, and encourages others to follow your example.
